

# Collector

Complete the following:

1. Compile a collection of a certain type of objects for at least six months and maintain the collection tidily and systematically.  
Note: (1) Scout can choose the objects freely his/her collection, such as stamps, match boxes, coins or shells, etc.  
(2) The collection must be of sufficient quantity. Scout should be familiar with the characteristics of the collection. The quality of the collection is also considered as important assessment factor.
2. Discuss with the assessor the objects chosen and be able to show own interest and knowledge in the collection.

Completion of this Badge would be counted as an equivalent of relevant item under Skills Section of the Hong Kong Award for Young People Bronze Award.
