

Venture Scout Link Badge

Description: Green bottom, crimson red edge, with orange buckle on the top.

Introduction: The establishment of the Venture Scout Link Badge is designed to help members of the appropriate Scout Section to have a better understanding of the activities of the Venture Scouts, hence encouraging them to be promoted as Venture Scouts in the process.

Members of the Scout Section who are fourteen and a half years old can acquire the Venture Scout Badge which will be issued by the Scout Leader upon completion. Under some special circumstances, the Badge will be issued by a designated person from the District, Region or the Association. The Scout Leader of the troop should encourage and arrange for members of the troop to recognise and participate in the activities of the Venture Scout Unit. The District Commissioner or his representative is responsible for assisting the Scouts troops in the District to carry out assessment for the Venture Scout Badge, especially for those which have not had the Venture Scout troop or those Scout groups which are too pre-occupied with other things to arrange such activities.

Complete the following:

1. Knowledge
 - (a) to be able to narrate the objective, methods and expectations of the Venture Scout Unit.
 - (b) to recognise the uniform of the Venture Scouts.
 - (c) to be able to narrate the basic functionalities of the Executive Committee.
 - (d) to recognise multifarious Venture Scout activities.

2. Activities
 - (a) Participate in at least two activities with full characteristics of the Venture Scouts, examples like:
 - (i) activities of the Venture Scout troop, one of which must be an outdoor event

- (ii) participation in activities related to the Venture Scouts and organised by the District/ Region/ Association (such as visiting or experiencing the Venture Scout activities or competitions in the District, or planning activities together with other Venture Scouts)
